Dear [name],

#TuftsGivingTuesday is off to a great start TODAY, but there’s still work to do, and time left to help. I’ve already made my gift, so join me in the fun: make your gift and spread the word! With your help, I’m confident we’ll meet our goal of 8,000 gifts before the day is out.

Here are the THREE ways you can help NOW:

• Make a gift: givingdays.tufts.edu
• Spread the word: forward this email to all your Tufts friends and ask them to make a gift today
• Post on social media: Use the hashtags #TuftsGivingTuesday and #GivingTuesday and let everyone know there’s still time left to give.

And be sure to check in on givingdays.tufts.edu for the latest results!

Thank you!
